

## WHAT TO PACK

There is a dress code. Everyone must wear a white t-shirt to work every day—that includes support and counselor staff, international and American, senior and junior. And you need to wear socks, unless at the waterfront. Please pack accordingly. There is a weekly laundry service. Please do not bring items that require ironing or dry-cleaning. Overseas staff will be provided with all items in the first column (in bold) when they arrive at camp.

<b>2 blankets/quilts</b>	2 sweaters/sweatshirts	1 light jacket/fleece
<b>1 pillow</b>	2 pairs of pants	3 swimsuits
<b>4 sheets</b>	6 pairs of shorts	2 pairs of sneakers (trainers)
<b>2 pillow cases</b>	*12 white T-shirts	1 rain jacket
<b>3 towels</b>	*12 pairs of socks	1 pair of sandals for the waterfront
	*12 pairs of underwear	

\*Overseas staff have found it more convenient to buy the bulk of these at the mall near camp. We will schedule time during Orientation to shop.

### Please label all your belongings. You may also want to pack:

- some nice clothes for days off or nights out
- toiletries
- extra eyeglasses or contacts
- camera and film
- small backpack for days off
- <sup>new</sup> credit card acceptable in the US (for personal travel and for Internet purchases/reservations)
- sleeping bag (only if you are traveling afterwards and for days off; you don't need one at camp)
- International Driver's License (you may need this to hire a car on days off)
- baseball cap
- flashlight
- insect repellent
- sunscreen

### WHAT CAN YOU BRING AND NOT BRING TO CAMP?

#### You can bring:

- Electronic devices, such as laptops and cell phones, can only be used and stored in designated areas. Camp does not carry personal effects insurance, and these items are brought to camp at your own risk.
- Small, battery-operated fans for next to the bed
- Blow dryers and other hair appliances are allowed, but their use is very restricted
- One or two plastic bins for underneath the bed

#### Please leave these items at home:

- drawers or bins that do not fit underneath the bed
- electrical appliances, hot pots, or any cooking equipment
- expensive equipment, including computers, cameras, sports, electronic & music; jewelry; clothing (we will not assume responsibility for personal items.)
- animals or weapons or explosives of any kind: BB guns, super-soaker water guns, fireworks
- first-aid medications, such as Tylenol or aspirin (the Health Center stocks these). It is against New York State law to keep medications (even over-the-counter ones) in cabins.
